## *Missionaries to Dominican Republic*

January-February 2026

Dear Friends,

The end of December through February was a very busy time for us as God continued to bless the work here in so many different ways. We were able to help many, many poor children throughout the Dominican Republic to have a wonderful time during Christmas through January 6<sup>th</sup>, which is Three Kings Day here. That is when all the children receive their gifts for Christmas. God allowed us to be involved in 4 outreaches throughout the island during this time as the people from our church and other churches joined together to help a total of 700 children. During these events, many of the children made decisions to receive Jesus Christ as personal Savior. They all enjoyed a time of games, food, and devotion which God blessed richly.

In January we began planning and working hard toward our goal this year of winning souls and making disciples. We are working with our 70+ churches across the island, encouraging them to work hard this year to win lost souls across the Dominican for the Lord Jesus Christ. During the last weekend in January, we were blessed to baptize 18 people from 4 different churches. Some were baptized on Saturday and the rest on Sunday. We had great attendance at both of these ceremonies. It was a wonderful time of rejoicing and singing praises to God for what He has done!

In March we will receive 400,000 tracts with a QR code on the back. People who receive the tracts will have the address and location of the church nearest to them that we have started in the DR. They will also have access to a video explaining the way of salvation. Our people are very excited about this new tract that they can use to win people. We are asking God to give us much fruit this year as His coming is closer than ever!

In February we had a great men's conference. Many men from our various churches attended with a goal to become better leaders. God did great things during the meeting and we are excited about 2026 and what God will do this year.

God has blessed the 2 new church planting efforts and they are up and running well. Pray that God will use these 2 new pastors who are planting churches outside of Santo Domingo.

We want to thank all of our co-laborers who have joined us in the work here in the Dominican Republic. We are grateful for your prayers and support during 2025 and thank God for the blessings we have enjoyed during the last 35 years of ministry here. We are excited to be part of His great work in this country. God bless you all for your vision and support.

In Christ,

*Ronnie & Chona Autrey*
