President's Perspective

July 2026

Hello from a very busy World Missions Center. Since it is summertime, you also are most likely experiencing a busy time of ministry. I pray that we will all see much fruit as we labor in the part of God's harvest field where He has called us to serve.

We had a tremendous week of Candidate School last month (June 1-5). I praise the Lord for those whom God brought our way and were accepted as new missionaries to serve with BIMi. There was a total of 46 who attended Candidate School 2026. If you would, please pray with us as these new missionaries complete their deputation ministry in preparation for their on-field ministry.

CANDIDATE SCHOOL — JUNE 2026

Also, if God would lead your church to financially support some of these new missionaries, it would help them get to the field more quickly. You may visit our website for a list of all our deputation missionaries (bimi.org/content/abDeputation.php). If you are able to have one (or several) of these missionaries to present their ministry in your church, I am confident that they will be a blessing.

Thank you for your love and support for missions. It is a great honor to partner with you in God's harvest field. May the LORD richly bless you!

In Christ,

David H. Snyder
