President's Perspective

May 2026

I trust this letter finds you doing well. Thank you for your support of missionaries around the globe.

In this letter, I want to emphasize the sacrifice that our United States military personnel are making for us. I was reminded of this while reading Michael and DeAnna Staley's recent prayer letter. The Staley's are BIMI missionaries to our military and are experiencing the effects of the numerous military operations that have been taking place overseas. Here is what they wrote:

This past Sunday we welcomed back several of our sailors.... They had been on patrol for their normal four months and were extended two additional months due to the conflict in the Middle East. I think we had seven people from the ship in our service yesterday. With them back, that means others in our church are currently out replacing them on patrol. Please pray for all of our military men and women during this time. Pray that God would watch over them and keep them safe.

This encourages me to pray for our military personnel and our military missionaries around the world. Please join me in praying for the safety of our armed forces. Also, please be praying for our military missionaries that God would give them grace as they navigate the busy schedules of their church members. Military missions is a unique ministry. During times like these, God uses the uniqueness of this ministry to minister to our military families in a very special way.

Thank you for your financial support of missionaries like the Staleys, who God is using in a unique, specific, extraordinary, and eternal way. Also, thank you for your prayers for our military and for our military missionaries. May the LORD richly bless you!

In Christ,
David H. Snyder
