November 2022

I cannot think of November without thinking about Thanksgiving Day and the many blessings the Lord has given to me. Perhaps you are the same way. Truly, every Christian has an eternal list of things for which to be grateful.

As I think about the emphasis of Thanksgiving Day, I would like to take this opportunity to say “**THANK YOU**” for your faithful support of missions. The task of getting the Gospel to every corner of the globe is not inexpensive. In fact, it is a task that is beyond our human ability to finance—let alone *accomplish*. However, as each of us individually does what God asks us to do, the task is accomplished corporately. This is the reason why what you give is so important. The amount someone gives may not seem like much, but God multiplies what is given obediently and uses it to accomplish His plan globally.

This is best seen within the local church. As individual members give, God multiplies the gifts given and uses that local church in a miraculous way. It is wonderful for us as a mission agency to witness multitudes of local churches being used of the Lord to carry out the Great Commission!

Please know that during this month of focusing on thankfulness, there are many missionaries who are thanking God for your generosity and kindness. I also want to again express my gratitude personally for your faithful prayer and financial support. God is using you and there is fruit abounding to your account. Truly, it is an honor and a blessing to partner with you in accomplishing the Great Commission. May the LORD richly bless you!

In Christ,
