Devoted to Serve with Delight

President's Perspective

September 2026

The month of September is the unofficial start of the fall missions conference season. Many churches will be having a missions conference either this month or sometime during the next two months.

With that thought in mind, I would like to remind you of the one main prayer request that Jesus gave us—*Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest* (Matthew 9:38). The reason for this request is given in Matthew 9:37 where Jesus said to His disciples, *The harvest truly is plenteous, but the labourers are few.*

God has used missions conferences countless times to call Christians to full-time missionary service. Please pray with me—as the Lord has instructed us to do—that God *will send forth labourers into his harvest*. As we pray, let us pray specifically that many would surrender to full-time missions during the conferences that will take place during the next few months. The statement that Jesus made about the plenteous harvest and the lack of laborers is still true today!

If you are having a missions conference—whether this fall or some other time in the future—**THANK YOU** for emphasizing the Great Commission. If BIMI can assist you with your conference in any way, please do not hesitate to contact us. We count it an honor to partner with missions-minded churches that are striving to *Go...into all the world* (Mark 16:15).

Thanks again for all that you are doing to emphasize the need for more laborers. Thank you especially for your partnership in fulfilling the Great Commission. May the LORD richly bless you!

In Christ,

David H. Snyder
