

TOGETHER
WE SERVE
TOGETHER
WE GROW.

MAY 2026

DESAFÍO 2026

We call it “The Challenge”. Every year most of our churches in three countries join together to help one or two sister church that have an urgent economical need that is out of their reach.

For 2026 the challenge was to walk, run or bike 21 kilometers in 4 hours in the hot, canyons of our desert area. In Costa Rica 662 people participated representing 30 churches. In Panama the challenge was also 21kilometers but on a desolate rocky ocean shore and in Cuba it was similar. And together we raised U.S. \$60,000.

Our church in the city of Arraijan, Panama had been able to construct the cement floor and the roof of their auditorium but they had no walls, no not one. With the matching \$60,000.00 U.S. from Trailhead Int. our church in Arrijan was able to enclose the structure and members are now enjoying a secure place to worship.

Serving our Father and Lord,

John and Karry Barnes

Costa Rica, Central America
