

# The BEIL FAMILY

Missionaries to Thailand

May 2026

Dear Pastor and Church Family,

We are very thankful for each and every one of you who prays for our family and enables us to serve the Lord in Thailand! Our family made it back to Thailand safely, and although we greatly enjoyed the missions conferences and time with family, we are glad to be back home.

We have a major praise and prayer request this year. After years of being on a waiting list, we recently received a call that a missionary visa slot had become available, and I needed to fly to Bangkok for an interview in Thai. We praise the Lord that the interview went well, and I was approved to begin the visa process! This is a huge answer to prayer and, Lord willing, will open many opportunities for us to minister more freely in Thailand for years to come.

We are currently waiting for the remaining paperwork to be processed so we can officially change visas. Please pray that the rest of the process will move quickly and smoothly, and that we will receive the missionary visa within the next few months.

Since the beginning of the year, several individuals and churches have begun supporting four of the seven national pastors in our region. These pastors have been recommended, interviewed, and carefully vetted to partner with CORE Missions. I personally know the missionary partners who have faithfully trained these men for ministry. Six of the pastors live in Laos, a "creative access" country where it is very difficult for foreign missionaries to serve, so we are especially grateful for their faithfulness to God's work there. It is encouraging to hear reports each month of people being reached with the Gospel in such a needy country. Most of these pastors minister in rural areas where there is little to no Gospel witness.

In July, I will be traveling with a small group to Laos to visit with several of the pastors, encourage them, and preach in their churches. Two of these pastors are still in need of monthly support. If you would be interested in helping support one of them, please let me know. We are very grateful for the open doors the Lord continues to provide, and for your faithful prayers and support.

In His Service,  
Jonathan Beil Family
