

THE BERREY FAMILY

JUNE 2026

Dear Praying Friends,

In our last prayer letter--sent out way too long ago--I was boarding a flight for Nairobi, Kenya, in order to teach at the Independent Baptist College of Ministry. Thank you for your prayers. I thoroughly enjoyed teaching and interacting with the students there. I have thought to myself several times, there is hope for Kenya when there are students like those training for ministry. It was a privilege to visit and minister in a couple of their churches while I was there.

Currently, our family is scattered in multiple directions, each involved in ministry in some way. Tim Jr. and James are both working at a Christian camp in North Carolina. Early next month James will join GFA's Europe E3 team as they minister in Germany, France, Luxembourg, and Belgium. Susanna is helping missionaries in an Asian restricted access nation. Andrew is just beginning a three-day evangelistic basketball camp in Indiana.

On Saturday, David, Daniel, Andrew, and I will board a plane for Halifax, Nova Scotia. We will combine ministry with our home church and work for GFA, as we help out at Forest Glen Bible Camp and visit/minister in five or six churches. The last time I was in Nova Scotia was in 1992, over thirty years ago. I remember, even then, being burdened for the many small churches without pastors. The situation is much the same. Please pray that the Lord would raise up a new generation of young men who aspire to the office of pastor!

Laborers are needed everywhere, and it is a joy to see the Lord still at work in calling, equipping, and sending workers into His harvest. A young man headed next month to Mexico for a first-time internship, a young lady just accepted by GFA to spend several months in Papua New Guinea, and another young lady returning to Taiwan to assist a missionary family--all of these are just the edges of our Lord's ways as He continues to raise up workers to build His church across the world.
