Dear Supporter of Kevin and Michelle Brown,

You are receiving this letter because you have supported the faithful ministry of Pastor Kevin Brown as he led Armed Forces Baptist Missions. God has used him greatly to refocus AFBM back to its original mission of planting churches and reaching military members through the local church. All of our missionaries know that he has also worked tirelessly to encourage them in their ministries both stateside and internationally.

Brother Kevin will conclude his work as AFBM's General Director at the end of May to enter a new ministry of military evangelism. Good News Baptist Church will continue to receive financial support for the Browns through the end of July 2026 to allow sufficient time for a smooth transition.

Your support for the Browns indicates that you have a heart for reaching our military for Christ. Please pray that God will lead in our search for the next AFBM General Director. The following qualities are essential: (1) a strong personal testimony for Christ, (2) previous military experience, (3) a working knowledge of church planting and military outreach, (4) a biblical philosophy of missions, (5) someone with the ability to recruit new missionaries and grow the mission, and (6) a man who will be a great encourager of our missionaries, helping them succeed where God has planted them. I would be grateful for any recommendations you may have.

Let's pray together that God would supply for the leadership needs of AFBM and send forth more laborers to reach our armed forces and their families with the gospel of Jesus Christ.

Your Fellow Servant in Christ,

Michael E. Ascher
Pastor
