

Curtis Hall -- Director of Bible Education and Training -- Best Missions

January 2026

Dear Praying Friends,

Amber and I would like to thank each of you that sent us financial gifts for Christmas. It was a great blessing to us with Amber's extra dental expense this past fall.

The new year found us in snowy Fargo, ND, with our youngest daughter and her family as we celebrated Christmas with them. She was also expecting her third child, whom I am glad to say was born January 25th. I was able to spend the first week working on end of the year and new year administrative items.

The second week found me heading to Thailand. Right before I was to leave, I broke a tooth. Thankfully I was able to get in and see the dentist the first day I was in Bangkok. They needed to put a crown on that tooth and were able to fix it that day. Please pray with us about the finances for this.

This trip I was able to be in six new churches to me. It was a blessing to me to meet even more people who's lives have been changed by the Gospel and the Word of God. Many thanked me for providing them with their own Bible. Tan and I were able to host Bro. Sam Martin of World Missions Bearing Precious Seed for part of January. Bro. Martin has helped provide us with over three and a half million Thai John and Romans in the last seven years plus John and Romans in other languages as well as New Testaments. While in Hua Hin, Thailand, we were able to go out soul winning with International Baptist Church. It was a joy to me to see Bro. Martin be able to lead a teen young man to the Lord. That Sunday I had the privilege of baptizing a young man that I had witnessed to a couple times last January and Bro. Matthew Bosje had led to the Lord just a couple weeks before I arrived. Please pray for "Golf" to keep growing in the Lord!

One of the last churches I had the opportunity to be with was Nong Loam Baptist Church in Lamphun, Thailand. This is the church Missionary Rick Horn started many years ago. Although Bro. Horn passed away about fifteen years ago, the church still marched on. Pastor Boy, who served with Bro. Horn as an assistant, is pastoring the church and doing a great job. It was exciting to see how the Lord has continued to bless.

At the end of the month, Tan and Pim took me to a Texas BBQ restaurant to enjoy my birthday dinner. I am thankful for them wanting to celebrate with me by trying something different food wise from their culture. Please pray for them as they continue to raise more support.

Thank you for your help and prayers!
