July 2026 - Summer Baptisms

Ivanna: Ivanna has attended Hope Baptist Church with her mother and brothers for several years. She has heard the gospel many times over the years in Sunday School, Summer Bible Camp and Art Camp. Her older twin brothers were saved and baptised in the last couple of years and were encouraging Ivanna to get saved. She is very shy, so she put it off. She also thought that just understanding the gospel message was sufficient. Last year in Art Camp, Ivanna realised that she needed to make it a personal decision of trusting Jesus as her Saviour. Being shy, she took time to decide to be baptised. Her friend, Zeph, encouraged her to be baptised with her.

Zeph: Zeph has also attended Hope Baptist Church with her parents and older brother for a few years now. They were saved and baptised back in the Philippines, but Zeph was not. Her mother had the privilege of leading her to the Lord at home one evening after family devotions. She was a bit afraid of being baptised. As she heard teaching both at church and at home about obeying God, she decided to be baptised. Once she decided to be baptised, she got excited about it. She was so excited that she convinced her friend, Ivanna, to be baptised on the same Sunday.

Louise, Eugene and Hannah: Thank you for praying for this family! Our first contact with them was through our Art camp last August in 2025. They all made professions of faith earlier in 2026 and went through a lesson on what baptism is. As we did this, the parents felt that Oliver, 8, was not ready. We rejoice that Louise, Eugene and Hannah were ready and were able to be baptised together. Because of their ethnic background, we cannot share the pics of this precious family.
