PRESIDENT & GENERAL DIRECTOR

March 2026

Dear Pastor and Faithful Friends,

Cassie and I want to begin by sincerely thanking you for your faithful prayers and generous financial support. Your partnership enables us to continue assisting missionaries and strengthening local churches around the world. This year is especially meaningful for our family as we celebrate 12 years serving as General Director of Macedonia World Baptist Missions. We are humbled by the Lord's goodness and grateful to labor together with you in this great work.

Our travels recently have taken us as far north as Pennsylvania and as far south as Florida. What a joy it has been to see churches determine to increase their missions giving! It is encouraging to watch congregations step forward by faith, trusting the Lord to expand their impact for world evangelism.

In January, we hosted an orientation for three new missionary families preparing to serve in the Netherlands, Italy, and Mexico. Those days at our training center were both productive and refreshing as we invested in these families through doctrinal instruction and practical preparation. Please pray for them as they move forward in obedience to God's call.

We are also thrilled to welcome Brother Noah Absher and his family to our MWBM family. The Lord has called them to take the Gospel to Southeast Asia, and they have officially begun deputation. If you would like to schedule them for your next missions conference, please contact our office and, we will gladly assist you.

Looking ahead, we are preparing for our next Reach the World Youth Conference on Saturday, April 18, at our training center. We are praying God will use this one day conference to stir young hearts toward full-time Christian service and a burden for worldwide missions. We hope your youth group has already made plans to attend. For more information, please scan the QR code on this prayer letter. Space is limited. Please register today!

Cassie and I plan to travel to Brazil during the last two weeks of July to visit missionaries and see firsthand the great need for churches there. As always, this trip will be at our own expense, with airline costs alone projected between \$4,000 and \$5,000. If you would like to help, a travel fund is available through our office. Most importantly, please pray that God would use us to be a blessing and encouragement.

Thank you again for standing with us. We are deeply grateful for your partnership. By God's grace and with your continued support, we will press forward by faith to reach the world with the Gospel.

For the sake of souls,

Dr. Scott Caudill
General Director, MWBM
