Serving America's Prisons**

Dear Fellow Laborers,

April-June 2026

First of all, as always, we want to thank the Lord for allowing us to take part in His work. Next, we would like to thank all of you who labor with us. Whether by supporting us financially, or by praying for us. We sincerely thank you. We could not do this without you. We are humbled by the kindness of God's people.

Our regular services for the lady's facilities have been going extremely well. At our facility in Tennessee, we are averaging almost 100 ladies per service. Which is amazing considering there are only 300 in the entire facility. The services for the lady's facility in South Georgia have been amazing! The sad part is that we have to turn women away each month because we are only allowed to have 100 per service with 3 services due to staffing shortages. Please pray that God will send more workers to that facility.

Our men's facilities have been going well also. We are able to have church services, Bible study groups, as well as cell to cell visitation to the lock down units. We have seen several Lord for new opportunities in Tennessee. After years of trying and praying we have been granted access to the lock down units at Site #1 at the Bledsoe facility. I can't wait to see what the Lord does over there.

In our last prayer letter we asked you to help us pray for chairs for the lady's facility in South Georgia as well as a larger apace. We are happy to report that God gave us all the chairs and more. We are still praying for the larger area so we won't have to turn anyone away. Please continue to help us pray that God will send the required staff needed to allow us to have more women present at our services.

In Christ's service,

Jason and Stacy Chambers,

Prison update: Bledsoe, TN-**9 saved** (8 men, 1 woman) McRae, GA-**5 saved** (women)
