Dear Fellow Laborers,

January-March 2026

First of all, as always, we want to thank the Lord for allowing us to take part in His work. Next, we would like to thank all of you who labor with us. Whether by supporting us financially, or by praying for us. We sincerely thank you. We could not do this without you. We are humbled at the kindness of God's people.

Please pray for us as we continue our deputation. We have gained some supporting churches, and we are currently at 45% of our needed support. Please help us pray for open doors to present the ministry.

We celebrated Christmas in January at the Northwest Correctional Facility. This is a large facility with several different units. In total we had five Christmas parties in five different units. We had a wonderful time. I was truly amazed by how much potato salad was eaten! A special thanks to Brother Ken Avery for inviting me to take part in the Christmas celebration and to Calvary Baptist Church for all their hard work as well as financial support. It was a special blessing to all those men as well as for us.

Our regular services are going well. We have had great attendance and new people showing up each service. We have been blessed to see both men and women saved.

I would like to leave you all with a prayer request. We need a larger area as well as more chairs for our services at the lady's facility in GA. We are currently running about 250 ladies on Sunday morning split between two services, but it is so heartbreaking to have to turn women away due to lack of space. God knows all about it, and we are trusting He will provide!

In Christ's service,

Jason and Stacy Chambers,
