

The Drydens Caribbean Director

A SECOND GENERATION TO MULTIPLE GENERATIONS

November ~ December 2025

A portion of my privilege and responsibilities as a Field Director with BIMI is to spend time with students at Christian Colleges presenting the heart of God for more laborers. October ended with Benji being in two colleges and making connections we are praying will result in more missionaries – specifically in the Caribbean.

Another aspect is preaching in Missions Conferences or Missions Sundays. It is always a thrill to our hearts to update churches on what the Lord is doing in the Caribbean. Being able to share one-on-one with church members how God could use them on the mission field is exciting to us. These past sentences have probably led your mind to ask, “What is happening in the Caribbean?”

I’m very happy to let you know that the Lord has been and is continuing to do great and mighty things in the islands. *“Let them give glory unto the LORD and declare his praise in the islands.”* During the year of 2025, over 700 souls received Christ with many being baptized into church membership. There were three new churches established and are continuing to grow. Over half a dozen Bible Institutes are training nearly 200 students to become *“faithful men, who shall be able to teach others also.”* Various construction projects are underway to facilitate the growth of the current churches and Bible Institutes.

We are praising the Lord for several Christian schools of those churches that collectively reach hundreds of children with the Gospel, giving the missionaries more opportunities to reach the parents. God also added two couples to our Caribbean family of missionaries, praise the Lord!

Chad & Cynthia Pape

Francisco & Megan Mendez

Please make the following matters of prayer:

- Safety for all members of our Caribbean missionary family
- Growth for the many ministries throughout the island
- More laborers to take up the towel of service

Serving our Lord,
The Drydens
