

JUNE 2026 MINISTRY UPDATE

Dear Friends,

As we reflect on the past few months, our hearts are overwhelmed with gratitude for the faithfulness of God and for each of you who faithfully stand with our family and the ministry of Medical Missions Outreach through your prayers, generosity, and encouragement. Time and again, the Lord reminds us that His work is accomplished through His people working together for His glory.

One of the highlights of this season was our annual gala. We were humbled to welcome friends and supporters from across the United States, many of whom traveled great distances simply to celebrate what God is doing through this ministry.

The evening was marked by genuine fellowship, heartfelt worship, and a shared passion to see the Gospel carried to the nations. We witnessed people commit to serve by going on mission trips, increase their involvement through faithful giving, and deepen their commitment to praying for the work ahead. We truly believe the Lord was honored throughout the evening.

Looking ahead, we are already excited about next year's event. Please mark your calendars for April 23, 2027, as we gather at the Delta Flight Museum in Atlanta to celebrate another year of God's faithfulness and cast vision for the future.

GOD CONTINUES TO GROW THE MINISTRY

The Lord continues to expand our ministry partnerships. We are thrilled to report that several new churches have chosen to partner with Medical Missions Outreach, helping us reach even more communities around the world with compassionate medical care and the hope of the Gospel.

We are especially excited to welcome new ministry partners from Idaho—a tremendous encouragement and reminder that God is continually raising up laborers from every corner of the country.

Lulu receiving her diploma from her dad.

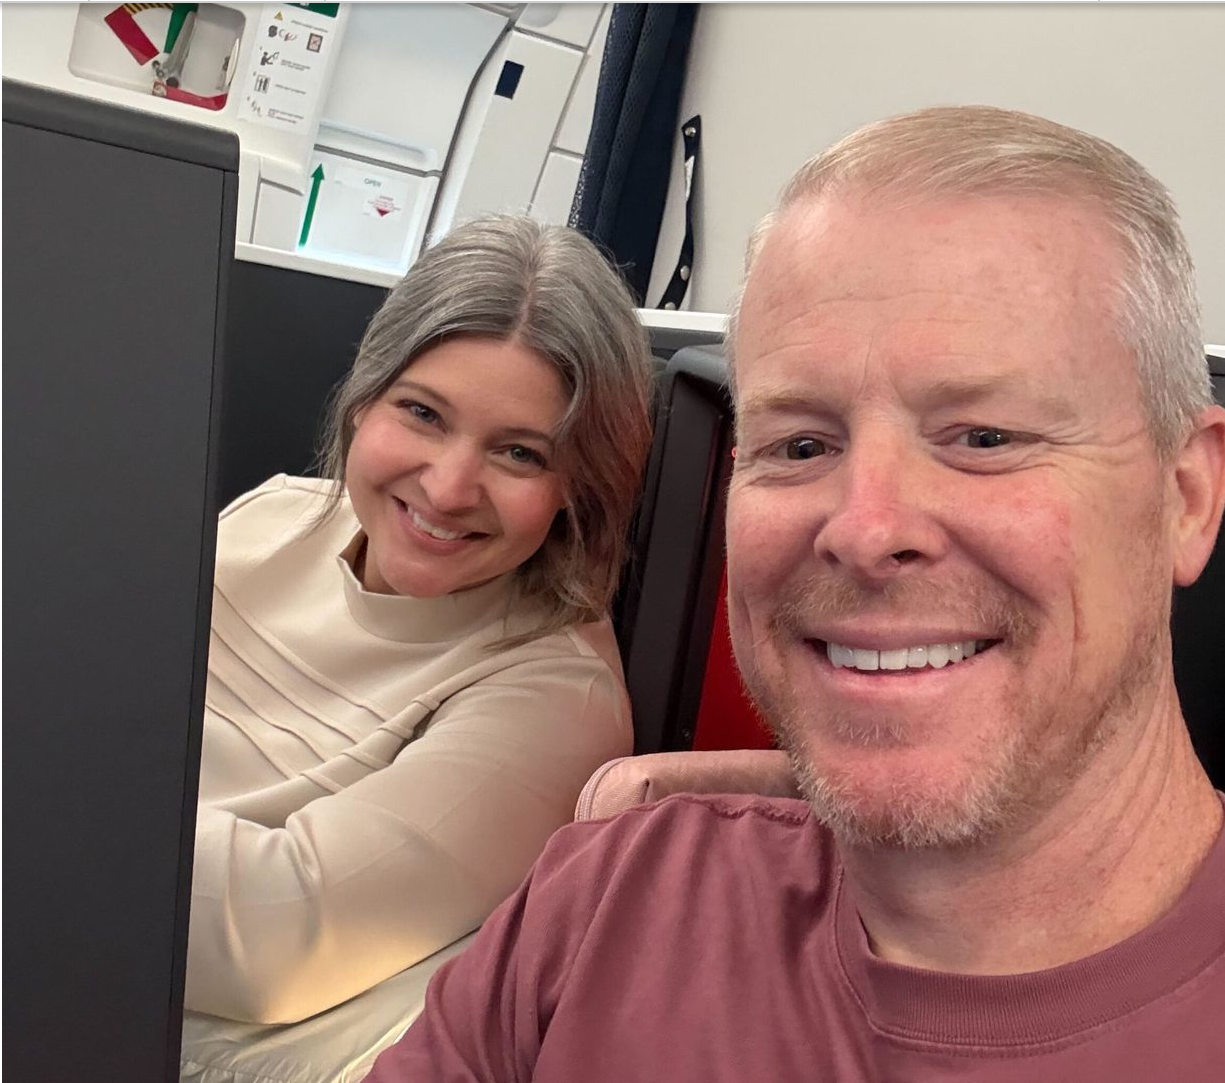

A FAMILY UPDATE

On the family front, we have much to celebrate as well.

Our daughter, LuLu, successfully completed her senior year of high school and has sensed God's clear direction to attend Pensacola Christian College, where she will begin pursuing her dream of becoming a registered nurse.

She will join her brother Jude, who will be entering his junior year in the Pre-Medicine program. Watching our children seek the Lord's will and prepare to use their gifts in service to others has been one of our greatest joys.

LOOKING AHEAD & HOW YOU CAN PRAY

As you read this letter, our family is preparing for another exciting opportunity as we travel to Japan.

Our primary goal is to encourage military families serving on several United States military bases while also sharing the vision of medical missions. We are praying that many will become faithful partners—not only through prayer and financial support but also by joining future mission teams serving throughout Southeast Asia.

This journey follows closely behind a wonderful missions conference at Liberty Baptist Church in Las Vegas, where we had the privilege of seeing the church make the largest Faith Promise Missions commitment in its history.

Witnessing believers respond with such generosity and faith continues to encourage us that God is stirring hearts to reach the world with the Gospel.

PRAISE THE LORD FOR

- More than 3,900 patients treated in Guatemala

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

- The planting of a new church
- A successful annual gala
- New church partnerships across the country
- LuLu's graduation and college plans

PLEASE PRAY FOR

- Safe travels and fruitful ministry opportunities in Japan
- Military families who will hear about medical missions
- Continued growth of ministry partnerships
- Upcoming mission teams around the world
- Wisdom as we steward the opportunities God provides

When we step back and look at all the Lord has done, one truth becomes abundantly clear: God is moving.

He is opening doors, calling laborers, strengthening churches, saving souls, and allowing us the privilege of participating in His work.

Thank you for being part of that story.

Whether you serve by praying, giving, going, or encouraging others to become involved, your partnership is indispensable. Every patient treated, every church encouraged, every new believer reached, and every opportunity seized is made possible because faithful friends like you stand alongside us.

We need you, we thank God for you, and we are deeply grateful for your continued partnership in the Gospel.

Serving Him together,

The Edmondson Gang
