

Dear Praying Friends and Family,

As the leaves begin to turn and the crisp air of autumn settles over Quebec, we reflect once again on God's faithfulness through another season of ministry. This time of year reminds us how quickly the Lord moves and how much He has accomplished since our last update. God has consistently brought some new faces to our assembly lately, and we are thankful for the opportunity to minister to them.

Digging into Acts

We have recently started a new study on the book of Acts. Teaching through it has been truly wonderful. Seeing the early church come alive, empowered by the Holy Spirit, and transform their world because of the Gospel has been both inspiring and convicting. We pray that the same boldness and Spirit-driven faith that characterized the early church will also grow here in Coaticook.

Community Carnival

Our Community Carnival was a great success! About 150 to 200 people joined us for an afternoon filled with games, food, and fun. It was wonderful to open our doors and welcome many new faces. Some of Noah's soccer teammates came to the Carnival and thought it was the best event ever. We are thankful that Noah had the courage to invite them. Pray for Josh, Elliot and their families. Every family that attended received a personal invitation to church, and we trust the Lord to draw hearts to Himself.

It was also exciting to see Chabane, who comes to church now because of last year's carnival, get involved in the preparation and during the carnival. Pray for his work permit, that he would be allowed to continue working in Coaticook.

We especially thank our brothers and sisters who travelled from Maine to help us. Their effort, dedication, and willingness to serve alongside us in Quebec made a real difference.

Looking Ahead to Mission Conference

We are already gearing up for our favorite events of the year, our Mission Conference, coming at the end of September. This week is always a highlight for our church, as we celebrate what God is doing around the world and renew our vision for the Great Commission. Would you pray with us that the conference will kindle a genuine passion for missions amongst our church family?

On the Home Front

Our kids are back in school, and we deeply appreciate your prayers for our homeschooling journey. Quebec's regulations are strict, requiring wisdom and patience each year. We often feel the weight of this, so your prayers mean a lot.

On a special note, Hannah is a senior this year! It's hard to believe she's reached this milestone, and we would be grateful for your prayers as she prepares for her final year and her future.

We also had the joy of celebrating our 21st wedding anniversary! We are so grateful for God's grace over these years of marriage and ministry side by side, and for the way He continues to knit our hearts together for the work here.

Thank You

Thank you, as always, for standing with us in prayer and support. None of this ministry happens without you. We are so grateful for each one of you and count it a privilege to serve alongside you in the Gospel.

PRAYER REQUESTS

- The Jubinville family — They have been visiting for several weeks
- Chabane - wisdom and favor regarding his immigration situation.
- Ghislain - Find restoration in the LORD
- Luc — Growth in the LORD
- Government -Upcoming Provincial Election
- Carnival — That we would see spiritual fruits from our outreach
- Protection and provision for our family

With gratitude in Christ,

The Fillion Family
