## Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,  
but shall have the light of life.- John 8:12

February 2026

Dear Praying Friends,

Happy Chinese New Year! As we send this letter out, things here in Taiwan are getting geared up for the Lunar New Year. It's always an exciting time here. Please pray that God will give us great opportunities during this season to witness to the Taiwanese.

Since our return, God has blessed in so many ways. In November we had the opportunity to lead Iris Green to the Lord. We mentioned her in previous letters. She has been faithful to attend church the whole time we were home on furlough. God gave us the pleasure after prayer meeting to take her through the Gospel and then see her bow her head and trust Jesus as her Savior.

In December our son Gideon came and asked us, "How can we know that we are 100 percent sure we will go to heaven?" We shared with him how we know and then asked him if he would like to be 100 percent sure. A few minutes later he trusted Christ as his Savior. What a great blessing to open the Bible and lead one of your own to

the Lord! Please continue to pray for Gideon as he grows closer to his Savior.

The start of 2026 has also been a huge blessing. We normally have one winter camp that we take our youth to. This year we had two - the first in the south of Taiwan and the second in the north. Both weeks were a great blessing. During the first week, the youth learned about the importance of serving our Lord. To us the highlight of the week was hearing our oldest Ethan (16) preach his first message. He did

such a wonderful job. He preached out of Matthew where Jesus washed the disciples' feet. We are so proud of him. Please continue to pray as he seeks God's will for his life.

During the second winter camp, God used the preaching of His Word. April and I both had the opportunity to each lead two young people to the Lord. Three of these young people are from our church. Please pray for Rebecca, Hosea, and Joey - that God will grow them and that they will be faithful to His Word.

Thank you for praying for our church. God is still working in Taiwan. Pray for us to be sensitive to the Holy Spirit as we teach His Word.

Please continue to pray for our housing situation. We are still looking for a new place. We have until the end of March in our current place. I look forward to sharing with you in our next letter how God answered your prayers concerning our new place.

May God continue to bless you as you serve Him in His harvest.

For Him,  
Jon & April Flowers
