Dear Friends and Supporters:

August 21, 2026

*"Believe on the Lord Jesus Christ, and thou shalt be saved..." (Acts 16:31). **BELIEVE!** What a powerful word! It is at the very heart of the Gospel. When the trembling Philippian jailer fell before Paul and Silas and desperately cried out, "Sirs, what must I do to be saved?" the answer was wonderfully simple and clear: "Believe on the Lord Jesus Christ, and thou shalt be saved." Not work. Not earn. Not achieve. Believe. Place your complete and absolute faith in the finished work of Jesus Christ! He alone is the Way, the Truth, and the Life! This is the message we have the privilege of proclaiming to a lost world through "The Gospel Film."*

My heart is stirred when I think about the opportunities before us. There are billions of people throughout this world who desperately need Jesus Christ. Some live in nations where Gospel preaching is banned by human government. Others are surrounded by false religions and have never clearly heard how they can know they can be saved by the death, burial, and resurrection of our Lord Jesus. Some may be sitting alone right now, searching for answers. Little do they realize, but God is at work in their lives to draw them unto Himself. This is the will of the Father. Let us, as God's people, **BELIEVE!** The Christian life which begins by faith must continue by faith. Believe that He is able to do "exceeding abundantly above all that we ask or think" (Ephesians 3:20). Believe that He can open doors of opportunity that no man can shut. Believe that He will send His Word into places we could never reach ourselves. Believe that He can prepare the heart of a sinner thousands of miles away before the Gospel ever appears on their phone screen or computer.

This past month, the Lord allowed "The Gospel Film" to reach **9,958,751 people** through the online campaigns. The film received **7,513,580 views**, **132,075 reactions**, and **12,144 shares**, with **1,253 professions of faith!** PRAISE THE LORD! Every testimony reminds us again why we must keep pressing forward. People are hearing. People are responding. People are believing!

- ***Thanks you lord for forgiving my sins. Thank you for this message!***
- ***Thank you Jesus for saving me from all my sins. Thank you for opening my eyes that I may see and know the truth***
- ***Hallelujah I believe! Thank you lord for the gift of eternal life.***
- ***I just prayed and believed on the Lord Jesus. Thank you sir for bringing this message. SO timely in my life.***

"And the gospel must first be published among all nations." (Mark 13:10)

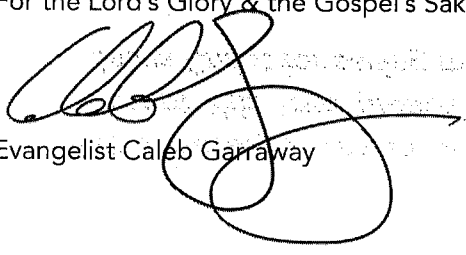

• ***This message was so uplifting, it was like light unto my soul. I listen and accept this true preaching of the messages of life. Thank you dear Lord Jesus Christ for saving me.***

There is no greater work in all the world than giving people the opportunity to hear the Gospel and place their faith in Jesus Christ. As we look toward the days ahead, would you please pray with us — and believe God with us — for greater opportunities to spread the Gospel? We are asking the Lord to open doors that only He can open. We are trusting Him for wisdom, power, and the resources necessary to take *"The Gospel Film"* further.

Thank you so much for faithfully supporting the *"The Gospel Film Project."* Your prayers and financial investment enable us to continue placing the Gospel before multitudes around the world. We are humbled and grateful for every person, family, and church that has chosen to partner with us.

There is much yet to be done. There are souls yet to be reached. There are doors yet to be opened. There are languages yet to receive *"The Gospel Film."* There are victories yet to be witnessed. We cannot accomplish any of it in our own strength — but we can believe God! May God help us to go forward by faith, believing Him for great and mighty things, not for our recognition, not for our glory (GOD FORBID!), but that Jesus Christ might be exalted and the Gospel might reach precious souls around the world! **BELIEVE!**

For the Lord's Glory & the Gospel's Sake,
