Dear Friends and Supporters:

February 24, 2026

*"For God so loved the world, that he gave his only begotten Son..."* (John 3:16) These words are so familiar to us, but may we never grow accustomed to them! The God of Heaven loved this fallen world so deeply that He gave His Son – not to condemn it, but to save it. The love of Christ is not limited by geography, background, or language. It is for all men! It reaches into prison cells, hospital rooms, remote villages, crowded cities, and broken homes. It reaches into hearts filled with fear, guilt, confusion, and hopelessness, offering forgiveness and eternal life. My friend, every time *The Gospel Film* appears on someone's device, it is another reminder that God still loves the world. He is still calling precious souls to repentance. He is still eager to save all men everywhere. We are humbled by the overwhelming privilege He has given to make His love known abroad!

In February, we conducted a big push in several nations around the world. *The Gospel Film* reached **15,462,442 people** – receiving **13,316,885 views**; **105,779 reactions**; and **7,303 shares** – with **1,708 professions of faith**. **TO GOD BE THE GLORY!** His ministry continues to move forward mightily! (Psalm 118:23)

I would love to share with you a few wonderful testimonies I've received over the past month. The first comes from a church deacon in Texas; he wrote: *"I want to send you an unexpected text I received tonight from someone I met two years ago and who got saved by watching The Gospel Film – "Mr. D\_\_\_\_\_, I came across your text when I was clearing my icloud storage and I want to say thank you so so much for the opportunity in the past to attend your church. Unfortunately, I live and moved way too far shortly after you gave me that card containing that very good Christian video. I still have that video saved to this day. That day we met was on my last day of working at Chickfila as a delivery driver. That was God speaking to me through you and using you. God is amazing. All glory goes to God."*

A couple of weeks ago, I received a message from one of my college professors, *"Caleb, I wanted to tell you that \_\_\_\_\_ and his wife are having medical work done in Mexico. He text me a bit ago and told me he had led a worker there to the Lord with the video you made and have several more prospects because of it! Praise Jesus!"*

Just this past week, in the midst of our revival meetings in Phoenix, Arizona, a husband and wife approached me, and the wife told me the following story: *"Brother Garraway, a few years ago, my boss was diagnosed with aggressive cancer. He had only a short time to live. Neither he nor his wife were religious, nor were they interested in Christianity. My heart was so burdened for them; I wanted to witness to them, but I didn't know the best way to approach them about their souls. A friend of mine showed me your video, and I thought, 'This is it!!' I was still hesitant to share it with them because I knew it might cost*

*"And the gospel must first be published among all nations."* (Mark 13:10)

*me my job. But his health suddenly took a turn for the worse, and hospice was called in. I texted his wife, sharing my heart with her, and sent a link to The Gospel Film. I did not hear back from her right away, and I thought 'Uh-oh....' But that night she texted me and said, 'Thank you for sending us this!! My husband and I watched it together by his bedside. We just knew that what was being said was true. We both prayed together and accepted Jesus as our Saviour. There was a strange peace and joy that came over my husband. Less than 30 minutes later, he died and went to Heaven.'*

My friend, thank you for praying. Thank you for giving. Thank you for believing in this ministry. Thank you for caring about souls we will never personally meet this side of Heaven. As we move forward into the coming months, please continue to pray for open doors and hearts prepared by the Holy Spirit. The world still needs Christ. The Gospel still saves. And God is still at work!!

For the Lord's Glory & the Gospel's Sake,

Evangelist Caleb Garraway
