Dear Friends and Faithful Supporters:

May 20, 2026

"Such as sit in darkness and in the shadow of death, being bound in affliction and iron... Then they cried unto the LORD in their trouble, and he saved them out of their distresses. He brought them out of darkness and the shadow of death, and brake their bands in sunder... He sent his word, and healed them, and delivered them from their destructions. Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!" (Psalm 107:10, 13-16, 20-21) What a powerful picture of the Gospel! Psalm 107 reminds us that mankind is in darkness, bound by sin, helpless to save itself — but when desperate souls cry unto the Lord, He delivers, He saves, and He breaks the chains. Praise God, the Gospel still has the power to rescue men from darkness and bring them into the glorious liberty of Jesus Christ!

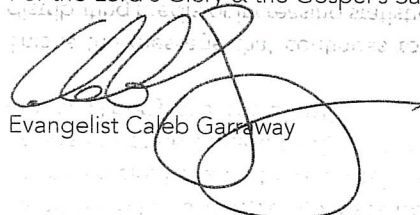

This is the message that continues to go forth through *The Gospel Film Project* every month. We are not merely distributing media or increasing statistics — we are helping carry the Word of God to people who are sitting in spiritual darkness and in desperate need of the Saviour. What a privilege it is to be involved in this eternal work together! This past month, the Lord once again allowed the Gospel to advance strongly into many regions around the world. Through online campaigns, *The Gospel Film* had **13,276,334** impressions and received **10,416,496** views, **62,901** reactions, and **5,290** shares — with **1,096** professions of faith that we know of. To God be the glory!

Here are just a few of the testimonies we received:

- "I lived with fear and confusion, but now I understand that Jesus Christ is the only way of salvation. I prayed and asked Him to save me."
- "Thank you for this message. I felt like God was speaking directly to me. I believe in Jesus now."
- "Lord Jesus, forgive my sins and save my soul. I trust in You only."
- "This message brought peace into my heart. Thank you for sharing the truth."
- "I cried while watching this video. I know now that God loves me and Christ died for me."

May we never get over what God is doing! Every testimony represents a soul delivered from darkness. Every profession of faith reminds us that the Word of God *"is quick, and powerful"* (Hebrews 4:12). The Gospel is still changing lives! **Thank you for your faithful prayers, sacrificial giving, and continued partnership in this ministry.** We truly could not do this without you. As we move forward, please continue to pray that God would open even more doors for the Gospel, strengthen us to remain faithful to Truth, and continue drawing precious souls unto Himself. And may we all remember — no matter the opposition, no matter the darkness of the hour — our God is still saving sinners, still building His Church, and still worthy of all praise in the beauty of holiness. *"Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!"*
