

May – September 2026

Dear Pastors and Supporting Churches,

Greetings in the precious name of our Lord and Saviour, Jesus Christ! We are so thankful for your continued prayers, encouragement, and faithful support as we serve the Lord. We wanted to take a few moments to give you an update on what the Lord has been doing in our ministry from **May through September 2026**.

Deputation Update

The Lord has continued to open doors for us as we travel and share the burden He has placed on our hearts for the people of Papua New Guinea. Our deputation continues to move forward, and we are grateful for every church that has welcomed us, allowed us to present our ministry, and prayed with us about the work ahead.

Every meeting has been an encouragement to us. We are continually reminded that missions is not something we do alone. The prayers, financial support, and encouragement of our supporting churches are an important part of reaching souls around the world.

We are thankful for each church that has partnered with us and for those who have recently joined us in this work. Please continue to pray that the Lord will guide us to the churches and individuals He has prepared for us as we continue deputation.

A Special Trip to Papua New Guinea

One of the greatest highlights of these past several months was my **20-day trip to Papua New Guinea August 5–20**. It was a tremendous blessing to return to the people and churches that God has placed so deeply upon our hearts. During my time there, I was able to see **10 precious souls trust Christ as their personal Saviour!** I praise the Lord for every one of these souls. There is nothing greater than seeing someone come to know Jesus Christ.

I was also able to visit **three churches that my family, along with two other missionaries, helped start nearly seven years ago**. It was a great encouragement to see how these churches have continued to grow and serve the Lord. Looking back at where these churches began and seeing what God has done through the years reminded us once again that the work of missions is about planting seeds and trusting God to give the increase.

To see these churches continuing on nearly seven years after we first helped establish them was a very special blessing to us. We are thankful for the faithful men and believers who have continued serving the Lord and carrying the work forward.

Serving Alongside Missionaries in Canada

Upon returning from Papua New Guinea at the beginning of September, our family had the opportunity to spend **seven days in Canada** helping the **Johnston family** with their church camp. We had a tremendous time serving alongside Brother Johnston and his dear family. It was a special blessing for our family to be able to serve the Lord together and encourage another missionary family in the work God has called them to do.

While in Canada, I also had the privilege of **preaching and presenting our ministry in Bro. Johnston's church on Sunday**. We are thankful for the opportunity to share our burden for Papua New Guinea and to see how the Lord continues to connect us with churches and fellow missionaries who have a heart for reaching souls with the Gospel.

These seven days were a wonderful time of fellowship, ministry, and encouragement for our entire family. We are grateful for the Johnston family's friendship and for the opportunity to labor alongside them, even if only for a short time.

Thank You for Your Partnership

As we look back over these months, our hearts are filled with gratitude. We know that the souls saved and lives changed are not the result of our efforts alone. They are the result of God's grace and the faithful prayers and support of His people.

Thank you for standing with us. Thank you for praying for us while we travel. Thank you for your financial sacrifice and for faithfully supporting the work God has called us to do.

Please continue to pray for:

- **Our deputation**; pray that the Lord will continue to open the right doors and provide the churches He desires for us to visit.
- **The churches in Papua New Guinea**, especially the three churches we were able to visit; pray that they will remain faithful and continue reaching their communities.
- **The new believers**, including the 10 precious souls who trusted Christ during my recent trip; pray that they will grow in grace and become faithful followers of Christ.
- **The people of Papua New Guinea**; pray that many more would hear the Gospel and be saved.
- **The families and churches we have been able to serve alongside**; pray that the Lord would continue to strengthen and use them for His glory.
- **Our family**; pray for strength, wisdom, good health, and God's protection as we continue traveling and serving Him.

We are deeply grateful that the Lord has allowed us to be a part of His work, and we are equally grateful that you have chosen to partner with us. May the Lord continue to bless your church and use you greatly for His glory.

Serving Him together,
