## Prayer Letter: July-September 2026

"He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame." Proverbs 10:5

It seems like in this current season of life, this phrase has continued to come up - 'Make hay while the sun is shining!'. God has brought so many blessings our way, that we are just trying to do all that we can while we can! God is continuing to work as we move forward by faith.

When we last updated you, we were headed into the month of July. In July, we had our first Vacation Bible School in our new building. This year, we had 12 children total attend! One of the families that we met through VBS this year has also began to attend our Moms and Tot's playgroup on Tuesdays! During this week of Vacation Bible School, a church group from Lindsay's hometown came to not only run VBS, but also did a tremendous amount of renovation work to the building. While the group was with us, they repainted the outside of the building, repainted and organized the kitchen, trimmed trees in the backyard, and did the rest of the demo work on the future nursery area and put the walls up for it! Not only did they do all of the work, their church paid for all of the materials! What would have taken us months to do on our own literally only took them a few days to complete. We are so grateful for all of their hard work and help and we are excited to Lord willing complete the new nursery in the coming months.

The last two months have just flown by. Much of August was spent preparing for our first World Mission Conference, which we hosted in September. Our sending Pastor, Derrick Morlan, was our guest speaker this year. It was exciting to see many of our church members excited for this meeting, and many of them giving to Faith Promise Missions for the first time. Our church took on our first two ministries to support monthly! We also had a Car Wash in September to help pay for our young people to go to camp this past summer, which we almost raised all the funds to cover the costs!

God is continuing to grow our congregation! We'd had several new visitors faithfully attending recently, not only on Sunday mornings, but Sunday evenings and Tuesday nights as well. Several of the people that are attending are people that we regularly pick up for services and events. Would you pray that God would open the door for us to purchase a 15 passenger van? We have currently raised $6,000 for the van. This would be a tremendous help with getting people to church. We also would love to pick up more children for our Afternoon Sunday School, and this would be a wonderful asset to have for that ministry.

Continue to pray for Lindsay's health. After going over a year without having any seizure episodes, she's had 2 in the last two months. We praise the Lord for how long her health has been great, but please pray for her in the coming months, as it always seems to take her a little bit to recover.

It's been a year now that we have been raising funds to purchase our church building, and just last month a church gave $50,000 towards our building! To date, God has provided almost half of the funds needed to pay the building off - $153,000! It's hard to believe that it's already been a year in our building, and it's exciting to see God continue to provide!! If God leads you to help us with this fund, whether personally or as a church family, you may send funds to:
