

**CHRIST** MAGNIFIED

**FAMILIES** FORTIFIED

Dear Precious Pastor and church family,

February 1, 2026

Greetings and gratitude from all of us here in Nashville, Tennessee. We are off to a great start in 2026. The Lord has done so many wonderful things as He always does.

**Praise**

The new director of CLAIM visited the property before Christmas. He promised to put a plan in place. He called me a week later saying he has a few men who could come to work for 3 days starting January 5-7. There was \$3000 in the BIMI escrow account. Together we trusted God and the remodel began by strengthening the rafters, insulating the roof and then we removed the cinderblock walls. It cost about \$3500 for this phase of the remodel.

This past week I purchased some curtains and curtain rods for about \$317. Today, when I opened the mail, one of the ladies I had led to Christ in a different city sent us a check for \$300. It's amazing to see how the Lord provides.

We are getting ready to baptize Shannon in February. Her husband David will join the church on the same day. Since we do not have a baptismal yet, I contacted the Hampton Inn and they are willing to rent out the pool for \$50.

NBC will host our first Mid-Tennessee Baptist preachers fellowship on the 24th for the first time. We are excited about this opportunity and looking forward to welcoming 20 or more pastors to this event.

God gave us a local architect. He is willing to draw our plans for our future meeting place in the detached garage. He won't charge us any money to do the work, but just for his materials.

Nashville Baptist Bible College graduated 36 men in India, with a one year Bible foundation certificate in December

**Prayer**

- Architectural plans, permits, and favor with the county clerk's office officials.
- David was in an accident in November; he sustained broken bones in his foot. Prior to this accident he was bit by a lone star tick, complicating the healing process. Once the wound heals, he will be able to have surgery.
- More families to join and for the salvation on many souls.

Thanks to all who encouraged, prayed or helped us with finances. Looking forward to all the amazing miracles God will continue to do in the next couple months and this year. We love you and will forever be grateful for all you do for us.
