REACHING THE **WORLD** FROM OUR CITY

CHRIST MAGNIFIED

FAMILIES FORTIFIED

July 1, 2026

Dear Pastor and Precious Church Family,

With an extended time of rain, God gave us some showers of spiritual blessing. We had a young group of high school kids from North Carolina come on a mission trip to help our church. The property needed TLC. With 14 extra people we were able to landscape around the building and tackle some much needed projects.

Since the ice storm, we had fallen branches all over. The group helped pick up and haul them away to our fire pit making way for a day time bonfire. The ladies and girls help clean the building, and stain my office furniture, install blueprints on a vision wall. I was able to focus on creating a missions, emphasis wall featuring a world map at the center and displaying missionaries around it. Clearing some of the brush helped provide some visibility.

On Wednesday night, two of the high school boys preached one after the other. It was encouraging to see God using and calling young men into the ministry. On Sunday, their Asst. Pastor and youth pastor preached the morning and afternoon service. The group sang a special. The service was followed by a cookout which provided us time to fellowship. The combined outreach effort also yield good results and some positive contacts. I have been able to make some visits and establish some connections. Praying the Lord will bring these people to our church. On 3 July we plan to do fireworks and hope to use it as an evangelistic tool.

Praying for a fruitful summer. The Lord bless you and your work and thanks for your prayers and support. With love, prayers, and gratitude,

Bro. Richard Jacob
