

Dear Brothers and Sisters in Christ,

I'm writing to you from my office at Bay Baptist Bible College this morning with a heart full of joy and eternal purpose, as we continue planting, training, and going forward for the glory of God! God has blessed us these past several weeks with a number of souls saved, baptized, and added to Kuyga Baptist Church not to mention in the other churches where God is working in an amazing way! A Xhosa man named Sanele (who you have been praying for) and his girlfriend Debbie Ann both received Jesus Christ. Sanele had been highly involved in ancestor worship and actually hearing the voices (probably demons). It took a while for them to fully understand but eventually the gospel broke through the darkness, lies, and hold of Satan. They called upon the name of Jesus to save their soul and followed him in believer's baptism a week later! God answers prayers!

Just yesterday morning at church in the invitation two men, Winston and Ricardo, received Christ! We have been witnessing to them for a while in their home and at church. Finally, they came to the end of themselves and realized their need for Christ. It was kind of funny as Ricardo slowly and in a very shy manner raised his hand higher and higher in acknowledging his need to be saved! They both sat with me after the service and it was clear they were ready to ask Jesus to save them!!!

We had a great Valentine's banquet on Saturday the 14th. Corli, Cora, and other ladies in the church did a great job preparing for the event. **We had about 20 couples in attendance!!!** We had a great time in the LORD having fun with our spouses, learning God's Word, and eating some good food. Overall it was an answer to prayer. Pray for 10 solid families to be added to Kuyga Baptist Church.

Bible College started back with a bang! Our attendance is up but more important than the numbers is the quality of our student body. It is probably better than it's ever been. We have some wonderful young people training to serve God with their life. We had an urgent need to build a small library room with custom bookshelves. Buffalo Ridge Baptist Church in Gray, Tn stepped up and gave a special offering to help with this last minute project. We were able to get it completed in just a few weeks right before classes started.

Thank you for your prayers and support
