USING TODAY'S TOOLS TO REACH TODAY'S WORLD

March, 2026

Dear Pastor & Church Family,

I greet you in the Name above every name, and the Name to whom every knee will bow, and every tongue shall confess, the name of JESUS, LORD OF LORDS and KING OF KINGS! The Lamb of God and the Lion of Judah!

We had a long, hard winter, one of the worst I can remember. God brought us through it, and the sun is shining. The trees are budding, and the birds are singing, and I trust all is well at your place.

First Bible, we've been engaged in a matching Funds campaign, and it is coming along very well, thanks to many of you and your generosity and love for the Word of God. We have been told twice that for every Bible we print and distribute, will be read by seven different people, one of seven will, if shown how to be saved, will get saved. I don't know if that's true, but I know we've printed more than 740 million copies, and that must represent a lot of people being saved and a lot of churches being planted, which will go into your column when the facts are tabulated at the BEMA SEAT.

Our church is planting a printing ministry in Colombia, South America, through the ministry of our missionary, Rev. Jim Roe. This is the first printing ministry we have planted on another continent. Our goal has been to put one on each continent. I trust you will help us through prayer.

Jim and his wife, Melissa, have also started a church in a restricted country, and they are among our most complete missionaries. They are: winning souls, discipling saints, Bible Institute, and now a Bible printing ministry. They certainly deserve and need your prayers.

Just a reminder, our FIRST BIBLE SCHOOL OF TRANSLATION is available on campus and/or online for more information. Check our website.

God bless you as you labor in the light of Jesus' coming,

Charles and Mary
