Dear Co-Labourers in Christ,

Nov. and Dec. 2022

*Our family would like to wish you Merry Christmas and a Happy New Year! We hope you had a blessed holiday with your loved ones and church family. Praise the Lord for the opportunity to celebrate the birth of our Saviour, Jesus Christ. December 31 will be the 12th year anniversary of our family's arrival to Cambodia. We thank God for his love and grace these past 12 years and for your faithful prayers and support. You are a huge part of what we do on the mission field. Here are some of the things God has done in the ministry in Cambodia these past couple of months.*

*On December 18, all of our church plants came together in the capital city for a special Friend Day service. The members of our church were encouraged to invite any unsaved relatives or friends. We praise the Lord that we had 139 adult visitors in attendance! In total, there were about 500 folks that were present on this special day. In the service, Bro. Vannak (one of the national leaders) preached a tremendous message about the gospel of Jesus Christ. Praise the Lord for this opportunity the lost had to hear about what our Saviour did for them 2,000 years ago. Our church had the privilege of also buying gifts for every adult visitor, every teenager, and every child who was in attendance. We pray this special event had an impact on our friends who live in the surrounding communities and that they will be touched by the preaching and the love that they were shown. Please pray for the visitors who attended this special event that God will work in their hearts and that they will realize that they need Him in their life.*

*It was a blessing for our church to have a soul-winning conference on November 9. We were able to spend the whole morning listening to a few of the leaders preach and teach about how to share the gospel with the lost and through God's Word, encouraged us to reinvigorate our passion for souls. Please pray that our church will continue to have a heart to reach the lost.*

*This year on Christmas Day, a couple of our church plants had special services celebrating the birth of our Lord Jesus. The churches in Psa Traach village and Preah Vihear province were able to have a great time of fellowship and praise the Lord there were some new folks who visited for the first time.*

*In Preah Vihear, the church members there were able to invite around 15 people who are not yet saved to attend the Christmas service. It was a blessing to see the faithful members of the church sacrifice their time and money to buy gifts for the visitors and to voluntarily decorate the church building for this special occasion. The visitors were able to experience hospitality and love from the members in the church. After the service, the church was able to enjoy a special meal together that consisted of fresh beef from a whole cow. Please pray for the people who were able to hear the gospel for the first time that God will use this service to soften their hearts to the gospel.*

*Vichet is one of the single young men in the church in Preah Vihear and is a very faithful servant of Christ. It was a blessing to see some of his unsaved family members attend the Christmas service. During the preaching, they seemed very attentive and interested in what the Bible said. It seems that their hearts are soft. Please pray for Vichet's parents, siblings, nieces, and nephews to be saved and that he will continue to be a light to them.*

*Praise the Lord that Hok received Jesus Christ as his Saviour a couple of months ago! His wife, Yin, had already been saved for a while and in part because of her testimony and the love that was shown by our church members in Preah Vihear, God worked in Hok's heart and realized he needed Jesus in his life. I had the opportunity to share the gospel with him a few times and other faithful folks were able to lead him to the Lord. Please pray for Hok and Yin's spiritual growth.*

*In Psa Traach, two young ladies, Minea and Srey Naet, accepted Jesus as their Saviour just a few days ago. Praise God for the Cham (former Muslim) and Khmer folks in this village who have a burden for their community to be saved. God is using this work in a great way. Please pray that Minea and Srey Naet will grow in their faith and love for God.*

In Christ,
