

ENGLISH ONLY PLEASE

A mission team from Temple Baptist Church in Dulles, VA visited City Baptist in early July, and helped handing out Friend's Day flyers. This fantastic mission team was also a part of hosting "Saturday English Fellowship" for college students in the community on 7/4/26. The participants must only speak English.

The mission team provided all the ingredients and we created own burritos, which was a huge success since Mexican food is not as common in Japan.

Two female college students who decided to continue searching for the Truth, came back to church as the first time visitors for the following Friend's Day.

AIKO AND SHIN

Aiko, a middle schooler who has been coming to CBC with her family, just got saved!
Shin, a Japanese college student who grew up in Washington D.C., has been faithfully attending church services.

SAITAMA CAMP

Annual Bible Camp was held this year in Saitama, right next to Tokyo within an hour via the express train. Sample outdoor cooking menus were: Curried beef and rice, stir-fry pork and noodles. Some skits by single's group were presented, and children enjoyed Japanese summer tradition Hana-bi (flower fire), the hand-held small fireworks. Several spiritual decisions were made during the invitations following the devotional messages.

QUESTIONS?

Mira Mesa Baptist Church from San Diego joined us in August for our "Bible Talk" Outreach. We invited unsaved Japanese young adults to discuss what the Bible is all about. Praise God that a male student returned to attend church following Sunday morning.

WE ARE THE SOJOURNERS (I CHRONICLES 29:15)

Once again we are actively searching for a new space to rent for our church services. Unfortunately our current meeting space cannot be renewed after 01/27/27. Please pray with us that we find sound-proof rooms in central location with reasonable hourly rental rates quickly.

HOMEGOING

In July our extended family traveled to Chattanooga, TN to attend the funeral service for Dr. Don Sisk. 60 years ago, Dr. Sisk established Senri New Town in Osaka. Ruth's father Pastor Ogawa was Dr. Sisk's very first convert in Japan. Our desire is to carry on Dr. & Mrs. Sisk's legacy by continuing to reach the unsaved people of Japan with the Gospel.

Thank you for your pryers!
