

Liedtke Honduras Update, October, 2022

HN

Dear Friends,

We are thankful this Monday morning that Hurricane Julia passed us by! We have a lot of rain as a result if the storm system passing. We have been without electricity about half the days this month.

Praise the Lord for several people who have received Christ as Savior! Yolani had attended the church with her children for a couple of months when she told us during a home visit that she had never been saved, but wanted to. Ivania, another young woman started visiting the church a month ago and also asked Christ to save her during a home visit this past week. A man and a woman also received Jesus during Saturday evangelism. God is at work here in Honduras!

A week ago we welcomed our 3 seminary interns from Seminario Bautista Belén in Danlí, Honduras. Walter, Zhoar, and Glenda have been a big blessing already, helping in both the physical and spiritual work of the church! They are involved in Bible studies discipling new converts, evangelism, Bible clubs for children, preaching, teaching, church cleaning, and organizing materials. Please pray for them as they minister over the next 7 weeks with us.

We have currently come to a stop on the building construction. The apartment has windows, doors, kitchen sink and counter as well as bathroom mostly installed. Everything is in an unfinished state, but liveable! Walter is able to live there during this time. Thank you for all who made this possible! We hope to start again finishing the building as funds come in. Next steps will be one more section of retention wall, windows in auditorium, windows installed in large youth room upstairs, tile for entire building and bathrooms, plastering of all walls inside and out, painting of entire building, as well as a baptistry.

It has been encouraging to have 2 new families join us over the last couple of months. We have also seem good tithes and offerings come in from this new church plant which have been a help just when needed! We see a willing heart to participate from the group God has given to us.

Brenda had corrective foot surgery in September and is healing well. 1.5 more weeks til she can walk fully on that foot. Please pray she will heal well.

And I got my Honduran residency! Praise the Lord! Brenda's will come shortly, we are told.

Thank you for your prayers, fellowship and support in the ministry!

Yours for Honduras,

Mark and Brenda Liedtke BIMI, P.O. Bx. 9, Harrison, TN 37341 mbliedtke@gmail.com
