Quarterly Newsletter

February 2026

Greetings and Happy New Year from the Home Office of Macedonia World Baptist Missions. We trust the Lord is blessing you as you serve Him today. The Lord continues to bless Macedonia, and for that we are thankful. We have several answers to prayer to share with you in this update.

New Missionaries

During our daily office staff devotion time, we pray for more labourers. Our Lord instructed us to do so. The Lord has answered our prayer and sent us two new missionary families. The T Jay Bing family are missionaries to Italy, and the Bryan Young family are missionaries to Mexico. Please pray for these families as they begin deputation. They are scheduling meetings now. In January, we were blessed to have our two day orientation with them. This time of training is an important part of the work of our Home Office. These days help to provide these new families with the tools they will need for a productive deputation. If you are interested in having them come by, you may contact the office for their information.

Youth Conference 2026

God has greatly used our Reach the World Youth Conference in the past. We are trusting that this year will be the same. We are busy planning and preparing for this great event. Please mark this date on your calendar and plan to be with us Saturday, April 18. We have been near capacity the past several years. We anticipate that to be the case again this year. Registration is now open. You will find it on our website. Register your group today. You do not want to miss this exciting day. Will you join us in prayer and ask the Lord to work in the hearts of each person who will be in attendance?

We also host numerous regional Reach the World Youth Conferences. Maybe our office is too far for your group to come. We would love to host a regional Reach the World Conference at your church. There are already several of these booked for 2026. If you are interested in hosting a regional conference, contact our Outreach Director, Nathan Saunders, at nathansaunders@mwbm.org.

Tax Time

Every January our office staff labors to prepare the proper tax documents for our missionary families. This tedious work requires much attention to detail. It must be done correctly and accurately. We thank the Lord for His help in allowing the staff to complete this work again this year. This is another one of the many services Macedonia World Baptist Missions is able to offer our missionary families.

Thank You

As we always do, we want to again remind you of how thankful we are for your faithful prayers and support for our Home Office and staff. We could not do what we do without you. Your faithfulness makes a difference in the lives of every Macedonia missionary. Thank you for being part of reaching the world with the Gospel.
