

Greetings in Christ

July & Aug 2026

Greetings in the name of our Lord Jesus Christ, I pray this letter finds you in the joy of the Lord. We are still in our winter months down here in Chile and over the past month we have had massive rain on top of the cold. Marta and I have both been sick twice this winter, but springtime is coming. We have also been very active in the work and have seen the hand of God in many ways. We are seeing lives changed by the power of God's Word, it is a privilege to serve as missionaries in this far away land.

In August we had our winter vacation bible school, and it was a great success, we had a good group of kids and a great program. We saw six receive Christ over the three days. We also had a good group of workers, all members and being trained through the local church. We are seeing many saved through the preaching as well as the soul winning programs of the church. Our church is now big enough and established enough that we are making big impacts in the community.

We just finished up our first semester in the Bible Institute; we have eleven students. It has been a great joy combined with much work. Our class was on the doctrine of the church. I will be teaching the doctrine of God in the next class. Pray for me as I'm teaching every class and preparing all the lessons. I'm also running the church with all our programs and activities. Marta is such a big help to me in the ministry, and I know I could not do all that is being done without her. Pray that God will continue to use her in the work.

Several containers of bibles have arrived in Chile, and I need to drive ten hours to the south of Santiago to pick up about 500 boxes, needless to say, this is more finances that we don't have. Our God is able...!

Prayer Request: Pray God will give me a 15 or 18 passenger van, its much needed.

Our building fund: we have raised \$19,580 as of now. We also have another \$5,000 that has been promised. Bringing us to a total of \$24,580. We continue to pray and ask God to provide the funds we need. Please pray about being part of this need. We need to buy the property beside our church to give us the space we need. This property is sitting vacant and abandoned. Its not cheap, but I believe we can negotiate much on the price. Please pray that God will prepare this for us. I believe I and Marta can do much for Christ over the next twenty years here in Chile.
