

Greetings in Christ

March & April 2026

Greetings in the name of our Lord Jesus Christ, I pray this letter finds you in the joy of the Lord. We are in a beautiful time of year in Chile, its Fall season and the temperature is perfect. I guess this is where I say it's not going to last long, winter is coming. We have seen many come to know Christ and continue to see the church full every week. What an honor to serve in the place that God has placed us.

Some of the ministries we have active in the church are: soulwinning on Saturday with the church and Thursday with the men, married couples last Saturday evening of every month, lady's programs & youth programs. We will also be starting our bible institute for the year 2026 in a couple weeks. I will be teaching the first class on the Local church. They will be required to take notes on all lectures, verses quizzes, midterm exam, final exam, write a term paper on the local church, read the book of Acts also attended all soulwinning programs the church has. They will earn credits towards their degree. It's all about preparing others to reach the country of Chile. I can train our own people without ever having to send them away for training. This is a six-year institute, so more students can be added at the beginning of every new class. Students will take twenty-four hours of classes to receive three credits and sixteen hours of classes to receive two credits. All students will need thirty credits to graduate. It's a total 12 bible subjects and 240 total class hours. Keep in mind, for now, it's a part time institute, because everyone works full time jobs. Please pray fervently for our students. I'm teaching every class and writing most of the material, pray for me as well.

Our building fund: we have raised \$11,080 as of now. We continue to pray and ask God to provide the funds we need. Please pray about being part of this need. We are completely packed out of our buildings, and we need more space to continue to grow. Thank you for your heart for missions.

We have seen nine souls saved through our ministry in the past eight weeks. This is because you allow us to be full time in the country of Chile, thank you for giving so we could go!
