

Greetings in Christ

May & June 2026

Greetings in the name of our Lord Jesus Christ, I pray this letter finds you in the joy of the Lord. We are now into our winter months in Chile, and it is down into the low thirties every morning now. Marta and I both have already been sick and seems like everyone in the church has had this virus that is circulating around Santiago right now. Pray for us as we go through this very cold winter that's coming.

We have been very busy with the work, our services are full and we are seeing much fruit. We continue to see first time visitors and souls saved. We have a strong soul winning program with a good group of faithful members. We have breakfast at church before going out. I'm thankful to my wife who cooks breakfast for everyone. She is such a big help to me in the ministry. Today she graded all the verse quizzes for the bible institute.

Yes, we have the bible institute started! We have been going for several weeks now. We started with twelve students, plus Marta and I. I'm teaching twenty-four lessons on the doctrine of the church for our first class. Pray for our students as they go through each class. I know the devil is mad because just as soon as we started the bible institute everything went bad all at the same time. First our projector went out, second our piano is having problems, and I need someone to come and do a maintenance on it, third the transformer that we use for our music also quit working. We know that our God is with us and everything works together for good to them that love God.

We not only have all our church services, soulwinning and bible institute. But we also have married couples meeting last Sunday of every month, Ladies meeting middle of every month, discipleship classes. We have a winter vacation bible school coming up in July for the kids. We plan on having more than fifty kids participate in that. We have a food pantry where we help families in need. We helped eight families this past month with that ministry. Just to add something right here, we have seen several saved out soulwinning and we have seen several more saved in the preaching services.

Our building fund: we have raised \$16,080 as of now. We also have another \$7,500 that has been promised. \$5,000 from one church and \$2,500 from another. Once we receive those two it will bring us up to \$23,580. We continue to pray and ask God to provide the funds we need. Please pray about being part of this need.
