

CARIBBEAN RADIO LIGHTHOUSE

Send out thy Light and thy Truth Psalm 43:3

April 27, 2026

Last week, our new AM Radio Transmitter was finally delivered! Much preliminary work has already been done with the help of the Chafas from Tech2Proclaim Ministries. **Please continue to pray for the installation and transition, which is scheduled for May 14th.**

The Chafas, after being with us for 3 months, have returned to the States. My wife's brother, Ryan Johnsonbaugh, will be coming to Antigua for a week to help with the final installation and transition. The manufacturer of the transmitter will be sending their own technician to test and commission

the transmitter on May 14th! Please continue to pray for the final details!

Nathan P. Owens

Station Manager & Engineer
