Dear Ministry Partners and Friends,

April - 2026

I thank everyone that prayed for a successful trip to Liberia and all the scheduled activities. This was some concern with flights because of the “shutdown” situation. But God heard your prayers and we had no difficulty going or returning.

We had the great privilege of **ordaining three pastors**, each of which have graduated from our Bible College or are close to doing so. It was such a blessing to **officially organize the Faith Baptist Church of Saclapea**. Brother Ayres Voyee was ordained and called by the Mother church (Faith Baptist Church in Thinker Village – our first church plant – under the leadership of pastor Emmanuel Saywah). Pastor Voyee has been holding Bible Studies and Fellowship services for the past 2 years. This was a very exciting time for both these churches. Because of generous financial assistance we were able to transport over 30 members of FBC in Thinker Village to participate in this organizational service of FBC in Saclapea. It was a tremendous blessing to both churches.

It was a full crowd from the community of Saclapea.

Challenging the new pastor & church.

Please **continue to pray** for this new church plant, pastor Voyee, and their continued outreach in the community of Saclapea. They have a burden and passion for souls to be saved and discipled.

I was so encouraged by the 3 pastors as they answered questions from the 6 council members. After more than 2 hours of doctrinal questions, we were all very confident to recommend to their churches that they move forward to ordain them.

Our Pastors with their >
very supportive and
faithful wives.

It was a joy to attend the classes of our Bible students and have a very productive Q & A session. They were very complimentary of my pastor, Tom Gang’s teaching on the Book of Revelation.

Prayer Requests:

1. Pastor Voyee and the Faith Baptist Church of Saclapea.
 - ★ Brenda & I have committed \$2,000 to the construction of a 40’ X 30’ church building. Would you consider giving toward this project?
2. Pastor Samuel Paye as he begins another extension of our Bible training opportunity with our video classes in his village church.

God’s Best,
Rick & Brenda Osborn
