Dear Ministry Partners and Friends,

October - 2026

In less than a week we leave for Liberia and our 4th Annual “Kids 4 Christ” Retreat. We are excited and busy packing many totes of Sunday School teaching materials for the many churches that participate in this outreach ministry. Brenda has been very busy ordering, laminating, and organizing all the picture cards and narratives for every Bible Class Lesson. *If it was not for special support toward this ministry, we would not be able to provide these materials. It is one of our greatest ministry expenses and we appreciate all gifts.*

Please Note: I am excited to announce that we now have a 3rd extension of our Bible College. Five years ago, when Covid forced us off the mission field for a time and we were no longer able to teach the College courses in person, we began to record the classes on video and show them to the students. Little did we know that what seemed to be a set-back, was actually a **Big step forward**. Instead of meeting in one location in person, we now are in 4 locations by video! God is so amazing! We are now reaching pastors in the interior who could not come to Monrovia! And even more exciting . . . one of our first graduates, Pastor Samuel Paye started the 2nd extension classes last year and now has started the 3rd extension classes. We provide videos, laptop, projector, and if necessary, a generator. These men are hungry for God’s Word! What a blessing to reach beyond what we ever imagined! We started in Monrovia, moved location 5 times, but now have a permanent meeting place. And God has added the 3 extension locations.
