RYAN & MELISSA OVERFELT

To Our Dear Friends,

The verse from Genesis was one that God gave us for a theme for the Royal Seed Summit; "On the Pathway with the King."

Thank you so much for your prayers for this special week! God truly blessed in great ways!! So many ministry young people got help from the Lord and made decisions for God during the week! Several received help and victory over hurts and discouragements they had been facing. Others received victory over difficult circumstances in their lives! God worked in each of our hearts and strengthened the faith of each of us during the services and the times spent in His Word! We give God all of the praise and the glory for what He has done and is still doing!! Thank you so much for your prayers and for your support for these ministries! We are excited about the zeal and the desire of these young adults to serve the Lord with their lives, and to go forward in His joy and in His victory; "walking in the pathway with the King!"

Thank you also for praying for Melissa, Kiera and I. Melissa and I have traveled over 4,000 miles in the last three months. God has kept us safe and well and has allowed us to serve Him and minister in several different places! We were in Missions Conferences, Teen Rallies and Sunday preaching services in Missouri in March, Florida in April, and Tennessee, Indiana, and Ohio in May! God blessed in special ways in each one and we are thankful that He has allowed us to serve Him! Each meeting was a special blessing! One special highlight was to be a part of the 50th pastoral anniversary celebration for one of my pastors and his wife; Pastor Dan and Mrs. Brenda Aldrich!

Please be much in prayer for us and every family attending A.M.C.T. Please pray that God will bless and work in each heart in these meetings and for His continued protection!

Because of Christ,
Ryan, Melissa and Kiera Overfelt
