Tour de France

The Tour de France outreach was more difficult this year because of the extreme heat and because it coincided with the Bible conference. In spite of these challenges, we were able to distribute roughly one thousand copies of John and Romans to people along the route and in mailboxes. The Lord truly opened doors, and several people were receptive to receiving a copy and having a brief conversation with us. Please pray that God would touch the hearts of those who received the Gospel.

THE · PRICE · UPDATE

July - August 2026

With summer in full swing, many in the church have been heading out on vacation and enjoying time with their families. We praise the Lord for this opportunity for rest and renewal. Summer is generally a little slower, but that does not mean that ministry stops.

Our annual Bible conference with our fellowship of churches went well. What a blessing it was to spend time with other believers! We also had a young lady from the United States stay with us for four

weeks. She was a tremendous help with the church youth and in many other areas of ministry.

In August, we will be hosting more guests from the United States who are coming to help renovate the church building. Please pray that the Lord would protect us and enable us to complete the projects. During the week they are with us, we hope to repair the stucco, replace a roof beam, and redo one of the roof valleys.

I will be teaching again this fall at the Bible college in France. As I prepare for the classes, please pray that God would use this time with the students to equip them for future ministry in France and around the world.
