March - April 2026

It is difficult to believe that March has already arrived. The ministry has been keeping us occupied, whether it is at

church here in Saint-Gaudens or elsewhere. It is a great blessing to serve God on the mission field! On the last Thursday of February, I concluded teaching a doctrines class at the Bible institute here in France. It is

Youth Group in February a blessing to be involved in training the next generation of church leaders. Pray for me as I review their class projects and exams, that God would grant me wisdom and grace.

The church of Saint-Gaudens regularly engages in soul-winning activities in our area. On February 21, we distributed John and Romans in town called Aulon. The panel next to the church provided a historical account of the building, including a reference to an earlier Christian church that predated the Roman Catholic era. I could not help but wonder if the Gospel was once preached there, but had been suppressed by the false doctrine of the Catholic church. Pray that those who received the John and Romans will come to Christ.

PRAISES and REQUESTS

- Praise the Lord for the completion of the repairs from the storm damage.
- Praise the Lord for the continued growth of the Youth Group and Bible Club.
- Praise the Lord for recent growth in the church.
- Praise the Lord for many opportunities to share the Gospel recently.
- Pray for the salvation of lost souls in France.
- Pray for spiritual maturity in the church.
- Pray that more people in the church would take on more responsibilities.
- Pray for safety as we travel in April for a missions conference in the USA.

Storm Damage

As you see in the photos, we have repaired the damages to the church after the storm. Praise the Lord that one of the men of the church has his own construction business and had a job that was put on hold, which allowed him to come and do the repairs. Praise the Lord also that the insurance covered most of the work done and that a gift was given to cover the remaining expense. God is good!
