

THE · PRICE · UPDATE

September - October 2026

As fall arrives here in France, we are grateful that the different ministries and outreaches of the church are beginning again after summer vacation. Many people from the church were away during the months of July and August, and it is good to have everyone back together again.

Please be in prayer for the children

as they begin the new school year. Ian began middle school this year, which will be a big adjustment for him. Pray that both he and Karis will continue to be testimonies for the Lord at school.

Praise the Lord for the progress that was made on the church roof. When a building dates back to the 1600s, there always seem to be surprises whenever we begin a project. Such was the case with the roof repair that was completed in August. Praise the Lord for the help of those who came from the U.S. Pray that the Lord would continue to bring the church to maturity and that we would see souls saved for His glory.

Bible College

Please pray for me during this fall semester as I will be teaching three classes. I will have the opportunity to teach the Synoptic Gospels, Cults, and the book of Romans. Please pray that the Lord will direct me in my preparation and that the students will be encouraged as they prepare for the ministry to which the Lord has called them. Please also pray that God would call more men and women into full-time ministry. France is in desperate need of pastors in particular, as the current generation of pastors continues to advance in age.
