THE LANGUAGE OF THE ENEMY

Over the past few weeks, we've been blessed to visit some churches and meet believers around Belfast. At one church, we met a young man named Joe that was saved out of a Catholic background. Something he shared with us was shocking. The language that we use in church like gospel, repentance, and evangelical were the "language of the enemy" when he was unsaved. This was not just an unsaved person's perspective, but the attitude of his community. It is sad to say that some of the words we use for great truths of the Bible have been made odious due to old hatreds. Now, by the grace of God, Joe loves these truths and understands that the "language of the enemy" is really just the truths of the Bible. Pray as we work in these areas that many more will be saved and learn to love the truths of the Bible!

PASSED THE LIFE IN THE UK TEST

Last month, we mentioned that Beth and I were taking our life in the UK test, an important part of getting our Indefinite Leave to Remain, or permanent residency. We Passed! Thank you for praying for us. Please continue to pray as we work through the rest of the application process.

LOOKING FOR A BUILDING

One thing that a church needs is a place to meet. Therefore, we are scouring Belfast for a location that would suit us. If you would pray for us we're looking for a building or room that would suit around 30 people, has access to restrooms, and is near residential areas. There are quite a few prospects that we're going to be surveying over the next few weeks. Please pray that God would bring us to the perfect location to start a new church!

Thank you,
Sam, Beth, Ruby, and William Quinn
