PRAYING FOR A NEW BUILDING

The Lord has blessed us to be looking for a building for the new church plant in Belfast. We've seen a few places and found one that we really like. It's an old beauty school that is located in an area where the Catholic and Protestant communities intersect, so we can reach both sides of the Community. It's in a commercial area that would be great for street outreach, and it's surrounded by residential areas where we can do door to door outreach.

We've only hit one snag with the location—we're not the only people interested in it. There's someone else that has put in a proposal to rent the building as well. So, we're praying in two directions: one, that the Lord's will will be done in giving us the right location, and two, that if this is the location that God will make the way clear and the landlord will choose us. Thank you for praying for this location with us!

APPLYING FOR INDEFINITE LEAVE TO REMAIN

There are certain milestones that you come to in ministry and cultural adaptation. They mark the time and commitment that the Lord has blessed you to have on your mission field. For us, getting our Indefinite Leave to Remain (ILR) is one of these. What is ILR? This is the next step for us to get citizenship. With this, we'll be able to stay in the UK without having to apply for anymore visas, and after one year we'll be eligible to apply for British citizenship.

Thank you for praying for us about our life in the UK test a couple of months ago. Please pray as we apply this month that everything will go smoothly and we'll get our ILR.

Thank you,
Sam, Beth, Ruby, and William Quinn
