BUILDING CONNECTIONS

We have been praying and looking for ways to build connections in the community where we started the church. We have been blessed in a couple of directions of this lately! I was invited to meet with four other pastors in the North Belfast area. We spent some time sharing update about the churches we're working in, and then we were able to pray together for the furtherance of the gospel in our area and our ministries. It's a wonderful privilege to find co-labourers for fellowship and prayer!

As well, Beth and Bethany found a ladies group at the community centre. They get together once a week and have a large range of activities.

At the end of the month, we plan to set up in the afternoon with tea, coffee, biscuits, and treat bags for the kids. Pray that we can have good conversations with people and share the gospel through those!
We're still praying and looking for new ways to connect with our community. The New Lodge is an area that's close knit, and we want to love, serve, and connect with them so that we can show them the love of Christ. Please continue to pray for our community!

Guess the Bible Story!
Hint: Book of Exodus

I SAW A SIGN

Actually, three signs! We've been blessed with a great location for the church. The previous business where the church is now located was a Chinese Health Therapy shop, and the signs for that closed business were too high for us to remove. Last week, we were finally able to get the old signs removed, and new ones installed! Please pray that these signs will draw people to the church and the Lord!

Thank you,
Sam, Beth, Ruby, and William Quinn
