GRACE BAPTIST CHURCH
2915 14TH AVE
COLUMBUS GA 31904-8335

Dear Friends:

What a great and effectual door of opportunity is opened to us throughout America and around the world. The fields of the world are white and ready for harvest, and the prisons are no exception. With almost two million serving time in American prisons, there is a great need for the gospel to be preached to them. We thank God for the many that have received Christ through our missionaries' labors.

Men were leaving for chow, and I asked Benjamin if he needed to go and he said "no". He said what we were sharing with him about salvation, he needed more than food. He said he needed Jesus. So, we bowed our heads and he asked Christ into his. **GLORY!** This man got so saved that he brought others to the services the next 2 nights.

Missionary Jeff Cassell

In Papua New Guinea the partners in March conducted 17 services with 673 attending and 77 inmates made professions of faith in Christ Jesus – thank the Lord!

Missionary John Shelley

This has been a great month in seeing souls saved, people growing and lives being changed for the glory of God. One such example is that one of the men in Avenal State Prison told me a couple weeks ago that he was able to lead his wife to the Lord over the phone. He said he'd been witnessing to her for some time, and she began to see the change in him. That change resulted in not only his wife being saved, but also his 16-year-old son. Every night he reads a couple of chapters of the Bible with his son on the phone and answers his questions concerning the Bible.

Missionary Charles Enebrad

The Prisoner's Bible studies are doing well with over 190 enrolled that are active in the studies. There have been 4 saved through the studies with 9 requesting Bibles to do the studies and another 14 requesting Bibles for their personal use. I am so happy that the Bibles are going home with the inmates when they leave jail.

Missionary Dave Hohmann
