

Praise the Lord:

1. Wood cut, split and stacked for the winter
2. Bob and Deborah are doing very well after surgery
3. Church painting done
4. Our house ready for winter.

Please Pray for:

1. Lawrence, Robert, Brian (for Salvation) and Lori (spiritual growth)
2. Young man who cut wood, that he will stay on the right path
3. Safe zone kids.
4. New kids coming to Sunday School. Two of them we believe have autism. God's wisdom in working with them.

“The harvest is past, the summer is ended, and we are not saved.” Jeremiah 8:20

The last of the garden tomatoes are ripening inside, and morning temperatures are hovering around freezing. It was lightly snowing this morning.

We praise the Lord for answered prayer! After many had been praying for someone to cut our firewood, a young man volunteered the very morning our small church prayed about the need. Having recently made things right with the Lord, he came after work each day and quickly cut five truckloads of wood! Since this is our last year heating with wood, we blessed him with our lumberjack gear, wood splitter, and log holder. We have since split and stacked the wood. Our chimney and broken window were also replaced this week. We are so thankful for the Lord's provision!

We continue visiting families on the reserve weekly and are grateful for how they welcome us into their homes and hearts. We have opportunities to share the Gospel each week. Lawrence has struggled with drinking since he was 14 and feels trapped in that lifestyle. Robert asked about some Jehovah's Witnesses material that was given to him, so we plan to give him a Bible and lessons. While, Bob spoke with Robert, I talked with his brother, Brian, who had never had salvation explained to him before. In another home, Lori is struggling to stay sober and has doubts about her decision to follow Christ. Please pray that the seeds of the Gospel will take root in these hearts and souls saved.

Special Kids:

A new boy came to church who needed a lot of attention and was difficult to manage. I suspect he may be autistic, as he struggled to listen, stay in one place, and leave things alone. He was unable to remain in Sunday School, so we had to send him back to his mother. My heart was burdened for his mother and the challenges she faces. Please pray that God will give us wisdom, patience, and understanding as we seek ways to help and support her and her son.

Could this be an answer to prayer? A young Christian couple from Thunder Bay, who teach at the Native school, have been attending church. He wants to help with the ministry, and we plan to discuss where he stands on important issues. He already helps during prayer time. Bob has also figured out how to use his phone as a microphone connected to his hearing aid, making it easier to hear prayer requests. One lady picked up the phone and asked, "Hello, Bob, can you hear me?" Everyone had a good laugh!

Safe Zone is underway, with 3–12 children attending each session. Please pray that we can have a lasting spiritual impact on their lives.

We celebrated Canadian Thanksgiving with a Sunday pie fellowship. With 40 people attending, it was a wonderful service filled with testimonies. One lady brought two pies, and Cindy made three more! On Monday, October 12th, we enjoyed Thanksgiving dinner with the couple who fills in for us when we are away. We spent hours talking about the Lord and the ministry. What a wonderful time of fellowship!

We have been blessed by God's provision of traditional foods! A couple travelling through from the north brought us freshly caught walleye fillets and promised to bring moose meat on their next trip. Another man from our reserve stopped by with a cooler of fish, saying he was sharing with others and thought of us. Bob also went partridge hunting and got his limit. They will make delicious stew and soup! We are so thankful for God's provision and the kindness of others.
