Dear Supporters,

We thank God for His mercies, blessings, guidance, and faithfulness! We are grateful for all He has done for us, through us, and in spite of us. Thank you for your continued support and prayers and for your partnership in the Gospel.

We began July with three days of special meetings during our visitor's week. Pastor Nicholas, my sending pastor, and Daniel Abili, pastor of a new church plant, came to encourage us. On Friday, 47 people attended and three trusted Christ as Savior. Saturday attendance was also 47, with seven trusting Christ. On Sunday morning, 63 attended, including about 16 first-time visitors, and four of those visitors trusted Christ. After the service, we baptized three believers. We thank God for the fruit of these meetings and for the encouragement we received through these men of God.

Since the end of July, our prison ministry has been on hold. Our prison minister, Mr. Etim Nkanu, left the area for a better employment opportunity during Nigeria's difficult economic situation. His absence has affected the ministry, and my own health challenges have made it difficult to keep the work going. Please pray that the Lord will restore this opportunity and provide the strength and laborers needed.

In August, we sent one of our young people, Blessed Okpa, to SMITE. The following week, we held a five-day AWANA program. It was demanding but rewarding, and approximately 12 clubbers trusted Christ as Savior. Blessed played an important role throughout the program. Please pray for her as she considers entering Bible college in January.

In September, I was glad to share in the wedding of Pastor Daniel and Divine. We thank God for the souls reached through our services and personal witnessing and for His Word working in people's hearts.

Please pray for God's power, mercy, and grace upon those preaching His Word, for my health and continued faithfulness, for the spiritual growth of our members, and for more faithful laborers. Pray also for a new place to rent for our meetings, provision to begin development on the land purchased for the church, and God's guidance for Blessed. We remain grateful for God's faithfulness despite the challenges, trusting in His grace and power to sustain His work.

In Christ,

Itodo Samuel Shadrach
