Dear Friends in Christ,

If you are like us, you are still struggling with writing 2026. We now find ourselves well into 2026 and cannot figure where all the time has gone.

Out of all the churches we work with, one always requires that we are on the premises. That church for us is Westside Baptist Church in Jackson, Georgia. We are excited for the days ahead as the church moves forward. They just voted in their new pastor. Please pray with us as we transition out and the new pastor transitions in.

We already have 3 churches in Florida that are waiting for help. We hope to get them on the schedule as soon as we are able to move on from the churches we are currently working with. As of this writing, we are in Inverness, Florida for a week to visit one of the churches. Next Sunday we visit another church without a pastor in Lake City, Florida. Please pray with us as we seek God's guidance in the future as we make decisions on where to go next.

It is wonderful to hear from churches that we have worked with over the past 5 years, since we began this ministry of Church Rescue. Nothing encourages us more than to hear how God is moving and watching their attendance grow. It is always exciting to hear them tell of those who have trusted Christ as their Saviour and seeing them discipled so that they too can tell others the wonderful news of salvation.

All of you share in this ministry together with us. It is because of your burden and desire that Patti and I are able to accomplish what God has for us to do. We're doing our best, to reach as many churches as we can, before He comes.

In Christ,
Alan & Patti
