September 2026

Dear Friends in Christ,

It is difficult for me to understand how time can move so fast. This month I turned 70 years old. I now accept what it means to be "elderly." I just can't figure out how it happened so fast. The Bible tells us that life is "a vapour, that appeareth for a little time, and then vanisheth away." I can testify to that!

We spend quite a bit of time on the road. The miles are beginning to accumulate. We just finished a trip from Inverness, FL to Rockford, IL. Google tells us that those 2 cities are approximately 1,202 miles apart with a travel time of about 18 hours and 25 minutes. Oh yeah and don't forget, that's one way. That is over 2400 on a weekend. I'm just saying, we spend a lot of time on the road.

We continue to work with a church in Inverness, FL. This is such a wonderful church. Please continue to pray for these folks and their need of a pastor. Also, I have been contacted by another church about 45 minutes to the south. I am wondering how I can drive between the 2 churches and meet the needs of both. It is something we are considering and seeking God's help on.

Just in the last 2 weeks, I've had requests from New Mexico, Florida and Wisconsin. We spent the last couple of winters in Delaware and Illinois. We are asking the Lord to spare us this year from the harsh northern winters and allow us to remain in the Sunshine State this year. My old 70 year bones can't handle the cold like they used to, but we are willing to go if that's where the Lord leads us to go.

We sure appreciate all of you. We could not travel without your faithful prayer and financial support. We are so grateful as we travel across our interstates, that you follow us as we go. May God bless you for your faithfulness to Him.

In Christ,
Alan & Patti
