Dear Supporters:

Praise the Lord for another day to serve Him! Jesus demonstrated servant leadership and we want the girls to get it! We read of the miracles Jesus did as He served others. Sometimes it was not a miracle but simply washing the disciples' feet. We are grateful for the opportunities God provided this summer for the girls to serve! Vacation Bible School was busy as the girls helped with game time and crafts. We were also able to run a bus and visit to bring children to VBS. In July we celebrated our country's 250th birthday with an outreach to the community with watermelon and fireworks. The girls were busy cutting and serving watermelon to a great crowd! Of course, how could it be the ministry if we didn't help with general needs like moving chairs, decorating for events, and pulling weeds? Serving is work but it's a joy when for the Lord!

We are sowing the Word of God in the girls' hearts at every opportunity. We were able to attend Teen Extreme in Pensacola, Florida. Dr. Scott Pauley preached powerful, convicting messages from the life of Timothy. We attended two different youth rallies in August with our church youth group. The Lord also opened the door for us to sing and preach at River City Baptist Church. It was a special opportunity to both minister and enjoy the fellowship and love from a supporting church! Serving our Saviour is a great privilege and it is wonderful to see the fruit! God is blessing! We have a young lady who is leaving us to attend Pensacola Christian College this fall! She received her "Haven Heart", that signifies a girl has demonstrated a testimony that God has changed her heart! We are excited to see what God has in store for her future!

God uses you to enable the work we do! Thank you for your prayers and financial support! If you would like to keep up with the Haven Ministry, consider following us on social media! We can be found on Instagram, (shenandoah_haven) and Facebook, (Shenandoah Girl's Haven).
